lineground server

L40

Lineground servers feature solid timber construction, mortise-and-tenon joinery, and mitered corners with matched seams/waterfall edges. Graduated centered bank of drawers in maple timber with cork-lined bottoms, soft-closing concealed runners, and low-profile tab pulls. Doors flank the drawers and are side hinged. Cabinet areas have adjustable shelving and may optionally be outfitted with pull-out drawers. Door and drawer faces are to match, with leather overlays, or opaque colors. Connectivity, wire management, and ventilation are available for technology integration. Custom sizes, configurations, and materials are available. Residential or contract use.
