## piedmont 3-drawer console

P40

The piedmont 3-drawer console is available in a variety of veneer and metal finishes. Veneer work is hand-bookmatched. All edges are protected with solid timber for added durability. Construction is mitered, with waterfall edges, and mortise-and-tenon joinery throughout. Timber inserts in metalwork at floor level are timber to match. Drawers are solid maple with cork-lined bottoms riding on soft-closing concealed runners and opening via low-profile tab pulls (matched to metal finish). Custom sizes, configurations, and materials are available. This product is suitable for residential or contract use.
