Oxide is an exclusive collection of hand-made porcelain table and serving ware. The work is a collaboration between skram's lead designer and n.c. artist mimi logethis. Oxide table sets include: Small and large plate, small and large bowl, and mug. Oxide serving ware is large platter, high large bowl, low large bowl, and tall vases/bottles. All items are individually made by mimi in her north carolina studio. Contact skram for ordering details.
